

Year 10 Subject Prerequisite Form

These are the prerequisites for Year 9 students progressing into Year 10 at Ripley Valley SSC.

- Our aim is to ensure that every student is on a pathway that supports their individual needs and learning requirements. To help achieve this, we have developed a list of prerequisites for Senior Subjects at Ripley Valley SSC. Students should read this document carefully to identify if there are prerequisites for the subjects they are interested in undertaking.
- Prerequisites mean that the student must have reached the required level of achievement **by the end of Semester 1 of Year 9** to gain admission to the subject and to be successful in that subject.
- Prerequisites, as specified, are supported by a range of other indicators including the student's: **attendance, effort and engagement**. All General Subjects have a requirement for semester passes during the course to allow continuation of study in the subject. A semester result of 'D' or 'E' will require the student to show cause why they should be allowed to continue in that subject.
- Students **may reselect their subjects at the end of Year 9** if they have gained the necessary grades to meet the required prerequisites.

Area of Study	Subjects offered in Year 10	Subject Prerequisites
Mathematics	ATAR <ul style="list-style-type: none"> • Specialist Mathematics <ul style="list-style-type: none"> ◦ Must have selected Maths Methods • Mathematics Methods • General Mathematics 	<ul style="list-style-type: none"> • Minimum of "B" or above in Year 9 Mathematics • Minimum of "B" or above in Year 9 Mathematics • Minimum of "C" or above in Year 9 Mathematics
