

8 December 2020

Dear Residents

**RE: RIPLEY VALLEY STATE SCHOOL AND RIPLEY VALLEY STATE
SECONDARY COLLEGE– STAGE 2 CONSTRUCTION WORKS**

Construction Works will soon commence at both Ripley Valley State School and Ripley Valley State Secondary College on the stage 2 facilities. This work is expected to finish in Term 4, 2021. The site will be operating 6 days per week in accordance with the relevant local and state government regulations and at other times where required to continue school operations.

Community access will be via the existing school entrances off Parkway Avenue for the secondary college and Botany Drive for state school. Construction deliveries and work will be coordinated with school drop off and pick up times. (Refer to attached Plans)

We will be as considerate as possible in regards to noise, access, health and safety throughout this project.

If you have any issues arising from this work, please do not hesitate to contact:
