2020 Third Party Website Consent

Dear Parent/Carer,

The use of web based educational resources has risen steadily over the last decade and are increasingly being used by teachers across Queensland to improve student learning outcomes.

Achieving excellence together

Our school and teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers.

Ripley Valley State Secondary College wishes to utilise the third party web based service provider/s listed below to aid students learning. Each of these websites has been checked by both Education Queensland and the eLearning team at Ripley Valley State Secondary College and has been deemed safe for students to use. However, for your student to use the service the teacher will need to register them as a user. Registering with these providers requires student personal information to be disclosed to the provider of the service.

Registration may include disclosing the following information about your student:

- Student Name (Nicknames and Initials are used wherever possible. Full names will never be used.)
- Age,
- Year group,
- Class Teacher and
- Student Education Queensland email address

We need your permission for the registration and use of these sites by your student.

Note: It is not compulsory for you to provide this consent – If you decide not to provide consent, this will not adversely affect academic achievement, or any relationships with teachers or the school.

Before you complete this consent form it is important that you understand the reasons that these websites collect this information, what will be done with it, who else may have access to it and where the data is stored. This information can be found in the hyperlinks below referring to each website's terms and conditions and/or privacy policy.

Please read these and ensure that you understand the implications of using this service before giving your consent. If you have any queries around the storage of student's information, please feel free to contact Angela Waugh on awaug24@eq.edu.au

Regards,

Angela Waugh
